Subscription, \$1.50 per year.

THE CITY COUNCIL

The regular meeting of the City Council was held on Monday evening last with His Worship Mayor V. E. Lord in the chair, and Aldermen Stone, Broughton, Galbraith, Simpson and Collison in attendance.

CORRESPONDENCE

Walter Simpson, Akron, Ohio, offered to redeem lots sold for taxes. The amount against them was \$43. The Council accepted the offer and the lots will be made over to him.

Mr. E. S. Jones, Lacrosse, thanked the Council for fixing the house on Victoria Avenue.

The Canadian Municipal Journal asked the Council's support by a subscription for each member of the Council. The letter was read.

J. Malcolm asked for the privilege of renting a piece of land owned by the city in the north east part of the city for \$10.

Major Horace Meeres offered fifteen dollars for four light wheels and two axles which had been laid aside for a number of years.

Dr. Michael Clark, M.P., and Senator Michener wrote acknowledging request with reference to protection of highways of municipalities and promised support of said legislation.

The Minister also acknowledged receipt of city's letter.

John Purrie, Deputy Minister of Municipal Affairs, wrote enclosing a circular to Municipal Councils re collection of School taxes.

Henry Hinkelman, Stauffer, offered the city a rental of \$12 for the Ford, Tomson place.

The W. E. Lord Co. asked for the privilege of placing the sheds which the company were compelled to move from the old site, on the lot east of the Advocate office. If the Council could not see its way clear to do this then the company asked the city to purchase the said sheds and place them in some place in this city for the convenience of farmers.

The Council declined the offer of Major Meeres, as a valuation of the wheels showed them to be worth much more money, the Council thought.

Fred Lund was present and addressed the Council. He desired to know if a person could erect a shed of the nature of that east of the Advocate office and understand buildings had to be built of brick. He proposed against the building being built there.

G. H. Best and John McMillan were also present and objected to the building in question being placed where it was.

Ald. Collison objected to the sheds being placed on such a prominent street, as it was an eyesore. He protested against it being placed by-law from a sanitary standpoint, and on behalf of citizens living on that street. He remarked that it was thought in the past that the city was breeding on horse manure, and he thought the sheds were a menace to the health of the people.

Ald. Galbraith took the stand that as far as conditions were concerned the placing of the sheds on 1st Street were no worse than that done to the post office. No one objected to the shed being built there at that time. The Presbyterian Church addition, Mr. Youmans and others had been allowed to build contrary to the by-law. He thought we must deal sympathetically with such requests because it would be a benefit to a large number of farmers. He considered the present place where the sheds were was better than the former lot because it was a little drier.

Ald. Stone said the shed in his former position was not an eyesore to him, nor had bothered him in any way, and he did not think the sheds in the new position would bother any person, or be an eyesore after they were properly placed.

aid, or be an eyesore after they were properly placed. He thought the matter could be amicably settled.

Ald. Broughton called the attention of the Council to the fact that the by-laws of the Council should be carried out. His Worship and the Council should make this a first principle.

He drew attention to the curfew by-law. He drew attention to the collection of taxes. He drew attention to Ald. Stone strongly protesting that the snow by-law was not carried out. He said it was the duty of the Council to carry out the by-laws impartially.

He remembered Ald. Galbraith advocating making our city beautiful. He did not think it was putting this shed beautiful by putting this shed there. He thought it would not be sanitary. He strongly objected to the building being placed in this position.

Ald. Galbraith remarked that the fire limits by-law had not been in operation for the past four years. He said he was not sure that he did not care what previous councils had done to this Council, he understood, were trying to carry out the by-laws.

Ald. Collison said he understood there were some cases where the by-law could be overlooked, and some of these cases had been mentioned by Ald. Galbraith.

Mayor Lord said owing to a building having to start on Monday morning, he was compelled to move the sheds as quickly as possible, and he moved it to the lots where it was until he could learn the disposition of the Council on the matter.

Ald. Collison said he moved that the request of the W. E. Lord Co. for permission to move their shed to 1st Street should be granted on the conditions he proposed in his letter, and the sheds to remain during the pleasure of the Council. The motion was lost. Yeas—Galbraith and Broughton.

After some discussion the Mayor appointed Ald. Galbraith, Simpson and Collison a committee to see if the City could utilize the sheds in some manner.

W. A. Moore addressed the Council regarding a letter he received from the Board of Health regarding the account of the Western General Electric Co. for light to the Isolation Hospital.

He also spoke of the contract for the new lighting system with the city, which had not been signed. He spoke of another system which might be an improvement on the present system. He also apologized for the lights being out, as the snow storm had broken a number of lights and the company found it impossible to secure new lights in the week.

A special meeting of the Council for lighting under the old system, and the balance could be signed as soon as the agreement could be signed, as under the new system it was understood payment would be made as soon as the contract was signed.

A special meeting of the Council will probably take up the whole question as soon as possible.

COMMISSIONERS' REPORT.

The Commissioners brought in the following report:

The Council, City of Red Deer, Gentlemen—We submit our regular report as follows:

Your Commissioners, with Aldermen Broughton, inspected the pumps and fittings at pumping station and arranged to have Ald. Broughton order the material required for repairs. The wall on the west side of the pump house was in bad shape, and we had this repaired and a new cement wall built. The other repairs will be made when the material arrives.

We would ask your instructions re charging for operating pump sold to us or sold to others in the plot set aside for these.

We placed an advertisement in the local papers and would ask your instructions as to taking a space of 5 inches double column by contract. The price of this size is \$200 per insertion by contract or 25% more for casual insertion.

We have arranged for manure and ashes to be dumped on 3rd Ave. E., on two days per week until this street is filled sufficiently.

The nuisance ground was inspected and found to be in good order except that rubbish had been dumped over too much ground in the past. It appears to be impossible to prevent this unless a man is kept there all the time when dumping is permitted.

Night constable Anquill is down with flu. B. Hewitt did duty one night, and it was impossible to get a returned soldier to serve. P. Pidgen has been placed on duty until Anquill gets sound.

The House used as an isolation hospital for flu has been rented, and we have had all material removed, some of it to the old Isolation Hospital in the Memorial Hospital, and some will be stored for future use.

Constable Hallett had commenced sanitary inspection, will continue this work whenever possible. We have discussed the question of holding a clean-up day with the President of the United Fruit Co., Mr. J. C. Hogg, and if they will plan a campaign we will give them every assistance.

As the outside work is commencing and labor is scarce, we have placed Wm Russell on steady work. There will be plenty of work to keep him employed all the time during the summer. As soon as the weather permits we will make an inspection of the streets and recommend work to be done.

This is the second program of the Lyceum course for which nearly three hundred tickets have been sold. Join the crowd tonight.

C. Row, who has made food since returning from overseas, has been appointed representative for the Soldiers' Civil Re-establishment Information and Service Bureau in Red Deer, and will have his headquarters in the Alberta Government Bureau office in Ross Street. Congratulations, Cuthbert.

Rocky Mountain House Agricultural Society sent to Edmonton when they want their prize list printed. But when they want ads. for said prize list they come to the merchants of Red Deer for them. It is a poor rule that will not work both ways. If Red Deer merchants support Rocky Mountain House Agricultural Society, then Rocky Mountain House should support the business houses of Red Deer.

J. F. Powell, wife and daughter, of Edwell, left Red Deer on Thursday morning for Regina, Nelson, B.C., where they will reside in future. Mr. Powell has resided in the district for eighteen years and has been one of the prominent citizens. He was called to the bar by the Hon. J.P. secretary of Edwell and was a member of the U.F.A., registrar of vital statistics for the district of Edwell, and also had a well known. Some time ago his only son was killed in action and Mrs. Powell's health gave way, and the best wishes of a host of friends go with them to their new home.

The New Grand Theatre, built by Messrs. Farnley and Dave south of the W. E. Lord Co.'s store will cost when complete approximately \$150,000. It is being built for Mr. P. V. Smith, M.P.E.A., and will have a seating capacity of 830, the balcony seating 250. The seats will be up-to-date in every particular. There will be two projecting machines fitted by the Perkins Electrical and Theatre Equipment Company, of Montreal and Winnipeg, with gold three screens. There will be two small stores in front, one with access to back of auditorium for the purpose of serving refreshments. Mr. Smith's car and driver will be available, and bad weather to bring in patrons at a nominal charge. The prices will be popular. The drop curtain is already being prepared by H. G. Stone. The performance will be continuous, permitting patrons entering any time to see the whole play. Vaudeville shows will be put on periodically. The theatre, it is hoped, will be ready for opening June 15th. Mr. Smith will give the business his personal supervision. He claims to be one of the pioneers of the movie business having had 20 years experience, and has opened 33 movie houses in England, Messrs. Barnes, of Edmonton, and Sharmar, of Red Deer, are the architects.

MASONIC PRESENTATION.

There was a large attendance of the Masonic fraternity on Tuesday evening last, when District Deputy Grand Master W. J. Botterill presented the report of the D.D.G.M. of the Worshipful Bro. P. Pidgen and A. T. Stephenson with Past D.D.G.M.'s of the Club. After the business of the evening had been disposed of, the members of the lodge, where refreshments were served and short addresses made by visiting brethren.

He felt the minutes of Board of Health would give the information desired.

Commissioner Stephenson stated the work was turned off by the plumbers, and in some way water remained in the pipes, which burst about 10 o'clock. There were other cases of this kind in the city.

The Council adjourned at twelve o'clock.

The following accounts were passed:

Mrs. W. G. Creelman \$20.00
Dep. Min. Municipal Affairs 12.16
Western Gen. Electric 598.89
Bank of Montreal 1193.18

A by-law authorizing the signing of a certain agreement for sale of property to Walter Stone, of Akron, Ohio, passed its several readings.

A report was received from T. A. Gaetz re responsibility for turning out water in the street. The place was closed by authority of the Chief of Health, and the Chief of Police looked after the locking up of the

LOCAL AND GENERAL

An athletic association is badly needed in Red Deer.

Be sure and attend the meeting tomorrow night in the Armouries.

An athletic association is a great necessity in Red Deer. Be at the meeting tomorrow night.

The Ladies' Aid of the Methodist Church have postponed their Easter bazaar on account of sickness in town.

Kill the crows is the message left by Benj. Lawrie, chief game warden for Alberta, who was visiting Joseph Wallace, local game guardian, last night. Crows are a menace to singing birds.

The regular monthly meeting of the G.W.V.A. will be held in the Club House (Armouries), on Sunday, April 20th, at 2.30 p.m. A large turn out is requested. To all returned men not members we extend a cordial invitation.

Mrs. James Smith has word that her husband was still in hospital at Brampton, but hoped to be released soon to return home to Canada. He had been dangerously ill with the flu, his sister having been summoned from Scotland to see him.

Present at the Methodist Church tonight and hear the excellent concert to be given by the Schubert Sextet. This is the second program of the Lyceum course for which nearly three hundred tickets have been sold. Join the crowd tonight.

C. Row, who has made food since returning from overseas, has been appointed representative for the Soldiers' Civil Re-establishment Information and Service Bureau in Red Deer, and will have his headquarters in the Alberta Government Bureau office in Ross Street. Congratulations, Cuthbert.

The Council adjourned at twelve o'clock.

OUR RETURNING VETERANS

Sergeant Ralph Sinclair, Dovercourt, returned on Wednesday last, and was given a hearty welcome. He joined up with the 12th C.M.R. and was transferred to the 2nd C.M.R.

Pte. Harry Ellis returned on Thursday evening last from overseas, and was given a hearty welcome by his friends. He joined up with the 9th Battalion, and volunteered for machine gun work. After passing his examination he served with the 2nd division and was in the thickest of the fighting. He was only slightly wounded on a blow on the head. He is looking well.

Cop. Learned, of Sylvan Lake, and bride, arrived from overseas on Friday last. He was in the 31st Battalion and saw a great deal of heavy fighting.

Lieut. Keith Galway has been the guest of Mr. and Mrs. W. A. Cassels in the last week. He joined up with the 37th Battalion in Ontario early in 1915, and was transferred to the 15th Ontario Battalion. He joined up as a private and was wounded at Hill 70 and promoted to rank of Sergeant, and also won the Military Medal. He was afterwards given his commission as Lieutenant. He hopes to settle in this neighborhood.

Sergeant W. McIlwain, who returned a short time ago, was in the city looking up old friends a few days ago. He now resides with his father at Edmonstone, and is with the 89th and 90th in the machine gun section and saw considerable fighting.

Pte. Henry Cecil (Gatwell) returned from overseas on Tuesday's early morning train. He went over with the 89th Battalion and volunteered for machine gun work, and served in the 102nd B.C. Battalion. He was wounded through the nose at Vimy Ridge and was again wounded at the battle of Arras. He is looking well.

A meeting of Red Deer Local U.F.A. was held in the City Hall, D.W.M.C. on Tuesday evening last. After the reading and approval of minutes of last meeting and reading of correspondence, Mr. F. C. Whitehouse was asked to give a paper on insect pests. In a very interesting and instructive paper he dwelt first on insect pests affecting grain crops, viz., locusts, grasshoppers, beet beet, and aphids, and wheat stem sawfly, and then on insect pests affecting fruit crops, viz., apple maggot, and potato beetles, and finally, foliage pests which affect our forests, dealing with these in a similar way, and in the chair, giving a list of government bulletins on this subject which the secretary expects to secure for the use of the local growers.

The thanks of the meeting were heartily tendered to Mr. Whitehouse on motion of H. Wallace, seconded by L. E. Gaetz, and it was hoped by his paper published for the use of the members.

The resignation of the secretary treasurer was read by the President, and was accepted on motion of W. R. Ellwood, seconded by H. Wallace.

H. Wallace was chosen secretary, treasurer on motion of L. E. Gaetz, seconded by R. B. Woodworth.

It was moved by J. Bower and carried that this local endorse the request of the Red Deer district, for a siding at the bridge on the A.C.R.

Meeting adjourned to second Saturday in May.

WOMEN'S INSTITUTE MEETING.

The Institute meeting held at the residence of Mrs. G. W. Smith, was as large as our previous meetings owing no doubt to the storm which came up early in the afternoon. However there were 38 members present and the usual monthly business was transacted. A request was made by Wetaskiwin, that Institute invited in Thrift Stores, was read, but the members decided all funds were needed for the present.

The relief committee reported some cases needing attention, and committees were appointed to look after this work. Mrs. Hora brought up the subject of teaching domestic science and manual training in the schools. As the government had made substantial increases in these departments it was thought advisable to interview the board and see what could be done.

Mrs. W. E. Lord was elected convener of Institute for Red Deer district, with Mrs. H. L. Gaetz as co-convenor. As these ladies have the organizing of this district, no doubt many new branches will come into existence during the coming year.

Mrs. Galbraith then took the meeting and gave a splendid address on "Local Council Work." While many of us knew something of this subject, after hearing this address we have a clearer conception of what has been done and is yet to be done by the body of women in Canada. The meeting then adjourned to meet with Mrs. Dr. Collison on May 2nd, 1919.

PENHOLD NOTES

Mr. Plaxey arrived from Sydney, Ont., on Sunday, and is making his home with his daughter, Mrs. Tom Plaxey.

Mr. and Mrs. Eakin spent a few days in Calgary last week.

Mr. and Mrs. Jack Oldford and children have been sick with the flu, but are making good progress towards recovery.

Mr. and Mrs. W. Holmes, who have been the guests of Mr. and Mrs. Alfred Speakman left to take up their home in Calgary.

Mr. Gibbs returned from his visit to England and reports his trip much better. He will again help Mr. Rodgers with his farm work.

On Saturday next April 19th, the Variety Sextette will give a concert in the Presbyterian Church. A sale of plants and home made cooking will be held in the Woodland Restaurant on Saturday afternoon, proceeds to go to the work of the Ladies' Aid.

Mr. Lawrence, of Pine Lake, has just purchased the homestead of Mr. Herbert.

Pte. Alf. Pyle is also expected home very soon.

An opportunity will be given to those wishing to contribute to the "Memorial Bell," for the Presbyterian Church at the Easter Sunday evening service. Special music by the Variety Sextette will be rendered at the service, and a collection will be taken in aid of the bell.

A joint meeting of the Red Cross and Women's Institute will be held in the Co-operative R.M. on Thursday, April 24th, when a drive will be held to finish off all the Red Cross work that is on hand.

Service will be held at the Anglican Church on Easter Sunday at 3 p.m., when Holy Communion will be celebrated.

Presbyterian services will be held at 11 a.m. and 7.30 p.m. at Penhold, on Sunday, April 28th.

R. Dunkmore and family have left Penhold to take up farming in the Forestburg district.

Mr. G. Danieles is fitting up the Red Deer creamery for the season and will handle it for Mr. Morkeberg this year. Mr. Danieles has been in the business as a milkman and traveller for years and calculates to give the patrons this year the best of service and prices.

Remember the price—**Per Pair \$2.70**

HIGH CUT BOOT, for farmers, sportsmen, hunters and prospectors; 14 inch top model, sewn with highest tested waxed thread, uppers made chocolate American Elk with dirt excluder bellows tongue, and bottoms with very best insoles, counters, heels, and outsoles that can be produced. Price **\$10.00**

HIGH CUT BOOT, BOY SCOUT BOOTS, made of tan colored American Elk, with 9 inch tops and patent bellows tongue, dirt excluder tongues; standard screw bottoms fastened with single sole and slip, sewed edge and waterproof finished; sizes 11 to 13½ and 1 to 5. Price **\$4.50 to \$5.50**

BOYS' BOOTS

It is a tremendous satisfaction to have parents come in this spring and ask us for some of the same boots they had last year—and they are doing it almost daily—some of them buying three and four pairs at a time. Isn't this a tribute to the lines we carry? Here are some of the lines that are responsible for these satisfactory customers:

BOYS' BLACK MENNONITE GRAIN BOOTS—standard screw sewn edge, water-proof finished bottoms, the strongest and most wear-resisting boot a sturdy Canadian boy ever tackled; sizes from 1 to 5. Priced at **\$4.00**

BOYS' BLACK BOX KIP. This has the same sturdy bottom as the Mennonite Grain boot, but the uppers are made of good Box Kip. The last is a very easy well-proportioned one with a broad high toe which insures comfort and ease. Sizes 1 to 5, price **\$4.50**

EASTER DRESSES

Please run over this list and see if you don't find something for the Easter season. We think our lines were well bought, and we know they are reasonably priced. Quite a nice variety to choose from, too.

GREY SILK POPLIN DRESS, White silk collar and cuffs. Price (delivered) **\$16.50**

NAVY BLUE POPLIN with White satin collar, embroidered front, panel and fancy belt. Price (delivered) **\$18.50**

VICTORY BLUE SILK POPLIN, braided band on skirt, with Cream Organdy collar and trimmed with buttons. Price (delivered) **\$21.50**

GOLD SILK POPLIN DRESS with tucked skirt and fancy girdle, and White satin collar, for (delivered) only **\$20.00**

BLUE OR VICTORY GREEN SILK POPLIN with midly effect waist, trimmed with small buttons. Delivered for only **\$22.50**

A NAVY SERGE DRESS, with Poplin collar, embroidered yoke and pockets, for **\$19.00**

BROWN SERGE with ripple Poplin around neck, Cream pleated collar, for (delivered) **\$26.00**

GOLDEN BROWN SILK POPLIN DRESS with long loose panel effect, round neck, with trimmings of Brown Satin, for **\$27.00**

SOME PRETTY BLUE SERGE DRESSES, Verolet waists, trimmed with wide black braid, round neck and bell sleeves, for **\$25.00**

NAVY BLUE SERGE trimmed with Black military braid, and satin girdle with fringe trimming, **\$35**

STREET SERGE DRESS, Navy Blue with accordeon pleated skirt, prettily embroidered waists with round neck, delivered for **\$40.00**

LADIES SUITS

"The recollection of the Quality remains long after the 'Price is forgotten.'" It is the quality of the goods in this Department that we trust to, to making it increasingly popular.

SAND SERGE SUITS, skirt with yoke effect, flared coat, trimmed with braid **\$39.00**

GREY SERGE SUITS with fancy belt and blue silk poplin collar, also Green Serge Suit, box pleated Poplin, trimmed with military braid. Either one, \$35

NAVY BLUE SERGE, straight coat, loose peplins and trimmed with buttons. Delivered for **\$40.00**

Ladies' and Misses' Easter Coats

While, naturally, the Coats we are showing now were all bought for the spring and summer season. You will find amongst them some very staple lines that can be worn at any season of the year, excepting, of course, in mid-winter. They are all Northway warranted shade-keeping garments, thoroughly finished and reasonably priced.

NEW AND GENTEEL BROWN & GREY TWEED COATS, roll collar and buttons, from **\$25 to \$32.50**
COVERT CLOTH COATS in Sand and Fawn with fancy loose or set-in pockets, full back, trimmed with buttons, at **\$40.00 to \$45.00**

FAWN and BLUE SERGE COATS, fancy belts, loose panel pockets trimmed with piping of blue and fancy buttons, from **\$37.00 to \$40.00**

ELECTRIC BLUE BEAVER CLOTH COATS with fancy silk lining, novelty belt, loose panels with button trimmings, for **\$45.00**

Ask to see the smart, attractive style-book at our **BUTTERICK PATTERN DEPARTMENT**
It is just crammed full of lovely things for you, for your daughter, and for your little girls and boys—everything any of you will need for the season. And all the latest styles—just what they are wearing on Fifth Avenue, New York. May Fashion Sheets now ready for distribution.

BRITISH BULL-DOG NEVER LETS GO

If the Kaiser possessed prescience, or had read history, he must have shivered—as tradition has it that we do if some one steps on our grave—when he knew for certain that his spies had lied, and that the stubborn, stick-to-it, bull-dog British had decided to live or die with the French. The British have had a bad record for an ambitious despot to face. They brought Philip of Spain to his knees—they curbed the power of Louis the Great of France—they grappled with the mighty Napoleon and never let go. That is the gist of the matter. They never let go. Great Britain and her dominions have sent over six and a half millions of men into the struggle. When we have sent 15,000,000 we will have done as well. And not before, we may add.

Thousands of American lads will come to us alive and whole because thousands of our blood-brothers from the British Isles have been killed and mutilated—and have taught us how to escape. Britain made her army while France and her own navy held the gap.

That is a fact, America—broadly speaking—is reluctant to admit. But it is so. What Rummey did was done for us.

For all this they paid. There is hardly a home in Great Britain which does not have its unvisited grave in France or Belgium—not a street on which the permanently maimed do not limp to unaccustomed tasks. And the figures show that the percentage of casualties from the mother country exceeds the percentage from the overseas dominions, thus disposing of one of the meanest and most dastardly lies of the whole Satanic German propaganda.

Why do we repeat this? Because England's contribution is either denied or derided: because the fact that her ships have sailed, fed, and maintained Italians and French—to say nothing of Americans—is neglected: because the fact that she rose from nothing at all to be a full military partner of France is mentioned by no one.

British bottoms convoyed by British warships took the Americans overseas. If you think that is an excessive boast we will, by agreement with Secretary Baker, take out 15 per cent. That is our personal intimate phase. It does not stand alone, however.

Where have the British fought? The Suez was in danger. It was the British that protected it. There were German naval stations in the Pacific. The British nipped them up. Russia asked help by way of the Dardanelles. The British tried to give it. Intervention was needed on the Tigris. The British supplied it. The British were at Saloniki. British ships were in the Adriatic. The British Colonial troops from the West Indies, the Germans. The British today are moving south from Archangel and are at Vladivostok.

It's a true story. England has prolonged the war, shows no disposition, the slightest, to curtail it; could quite easily, modify the terms and soften the way. Won't.

It's the British way, the bull-dog British way. Not intelligent, some one suggests, and we are not disposed to defend it as such. Narrow, rather groggy, angular, morose. Well, and good. But where it bites it holds, never fear. That is why Russia, waking up, find the Briton at her elbow. That is why Portugal, recalling that she has leaned on Britain since long before the days of Napoleon—throws in her lot with the British confidently.

War with all the world—Peace with Britain.

The British are the poorest advertisers in the world. No one will ever know the sum of their performance. But they will deliver the goods. Eighty thousand they sent to France, and they have multiplied it an hundredfold. And the British, if we may be permitted to suggest anything so revolutionary, are a great part—possibly a dominant part—of the Americans. They have contributed to our make up, languages, and literature; laws and customs; faith and freedom. We are inconceivably, unreasonably, impossible without them. Is not that plain truth?—Louisville, Kentucky, Herald.

GERMAN SPIES ENLISTED WITH CANADIAN ARMY.

London, April 7.—At the Naval and Military Club luncheon here on Saturday, General Sir Arthur Currie made the statement that he had not heard whether Miller, the traitor who surrendered from the 18th Ontario Battalion in front of Arras last July had been apprehended yet, in the release of the British and Canadian prisoners in Germany. Miller, an American, of German extraction, enlisted in the Canadians. On the first time the trenches he gave himself up to the huns without making a fight.

Miller told the Germans his real name was Muller, and gave them three long pages of complete information about Canadian locations. He also told them what battalions of Canadians were occupying our front lines, what troops were behind our lines, and what were the intentions of our commanders in the Amiens battle.

A copy of this second-rate revelation was captured from the Germans. Needless to say, the spy Miller is marked man, and the British secret service is going to get him if possible.

Another man who surrendered as Miller had done, gave the huns complete information about certain things. This information our Canadian intelligence department discovered in some captured German documents. This traitor's name had "German agent" written opposite it in the huns' documents, proving that he, too, was a spy in the Canadian ranks.

There is no better laundry soap obtainable at the price. Therefore if the cake of Gold Soap were no larger than any other it would be a good buy. But the Gold Soap Cake is larger. It is one-fifth or more larger than any other laundry soap at the price. To use Gold Soap is to cut your laundry soap bill one-fifth.

Gold Soap is made in the Procter & Gamble Factories at Hamilton, Canada

PINE LAKE M. D. No. 339

Receive Annual Financial Statements and Strike Tax Rate

The Municipal Council of Pine Lake No. 339, met at the Council Chamber, Red Deer, on Tuesday, April 16th, and adjourned at 6. There were present: Reeve Blake, in the chair; Councilmen: Burroughs, Reay, Stewart, Eggerhart, Fluke, and Mr. J. W. Hey, secretary-treasurer.

The Crown Lumber Co., Innisfail, wrote, enclosing original sales slip, June 1, 1918, for sawmill poles and lumber supplied to K. Keimert, alleged to be for culverts, and which he directed to be charged to Division 2, No. 339. The name was unknown to Reeve Blake, Div. 2, or to any of the Council, and the Council did not see the way clear to pay the account without further information. There is a possibility that the man may have been temporarily employed in the division, but Reeve Blake had accounted for all the lumber he used for culverts in 1918 he thought. The need of dealers receiving a proper order was emphasized.

Edmonton Steel Works asked orders for culverts.

The Soldier Settlement Board wrote asking if any farmers in the district wished to sell their lands for cash to the Soldiers Settlement Board, for the use of returned soldiers.

Mr. Norman L. Harvey, for the Department of Railways and Telephones, wrote that the resolution passed at the annual meeting of the district re telephone acquisition and extension is being considered by the Department.

Hon. A. G. McGray, Minister of Public Health, forwarded a circular re the Provincial Sanitary Inspectors had been appointed on February 1, 1919, making five in all. These inspectors were doing valuable work by making an inspection of the health districts, and furnishing the Provincial Board of Health with technical reports setting forth present sanitary conditions, with a view to improve sanitary conditions which have been more or less passed over by the local boards. Where local boards have been altogether neglected the courts may be used to impose penalties for non-observance of health laws. The Minister and Hon. Provincial Sanitary Engineer, thanked the Board for co-operation, and urged immediate attention to local matters. Mr. Charles Sinclair, for the Soldiers Settlement Committee, thanked the Council for their generous grant.

The Deputy Minister of Municipal Affairs forwarded the amendments to the Municipal Act, re Grain Act considered at this session. There were only two or three parties affected in this district.

The Department of Municipal Affairs wrote re the amendments to the Tax Act that the rate had not been fixed for this year pending 1919 legislation. The Council protested against the rate fixed by Judge Carpenter last year, but without avail. "I may point out," Mr. Lawrence, said, "that the rate is not a possibility of a proper adjustment of this Tax so long as the tax is levied on the rate basis. The very inequalities of which you speak (viz.: the rough country at Hill End and Pine Lake) by way of comparison of your district with other districts obtain in a very special way as between one portion of your district and another portion of the district."

Mr. D. B. Robertson, engineer of Provincial Highways, wrote in reply to the secretary-treasurer's enquiry re Provincial Highways in this district. The bylaw as to highways asked and blue print had been passed by the Council and presented to the Legislature by Mr. Lord, Mr. Robertson said: "As I understand the situation at the present time the only Highway coming under Class A in your district will be the main highway between Hill End and Elbert. However, the classification of the main highways is not yet completed, and as to the detail of route, and until this is complete no attempt is being made to establish Class B highways."

"I note on the blue print referred to, which was handed into this department by Mr. Lord, that there are two Class A main highways running east and south through your Municipal District. I do not believe there is any likelihood of either of these being established as main highways."

In Class A highways three-fourths of the cost is borne by the Province and the whole cost of maintenance. In Class B highways the Department pays one-fourth the cost and the remainder is borne by the municipality. The responsibility for the maintenance of the highways, which maintenance must be borne by the municipality, is in my view of the Council having to maintain roads as Class B which they asked in the hope that the Province would make Class A roads, the Council will revise the list of main roads which have been asked for, and the Province will be able to take them up.

The Canadian Northern Railway right-of-way and station grounds were liable to taxation, Mr. Hey wrote.

The Department of Education submitted a map showing boundaries of school districts in Municipal District 339, also a list giving names of districts and secretary-treasurers. No steps had been taken by the Legislature to change the method of collecting taxes in the school districts within the bounds, other than by law and referendum. The Will Lamsden amendment might be transferred to the municipal district.

Reveals F. J. Powell, J. A. Pope and W. R. Edmond did not want Municipal Hall Insurance protection, while W. A. Humeon wanted it.

Chas. F. Butler, N.E. 25-25, W. 4th, will be granted aid to get 150 bushels of seed oats.

Walter R. Charley, Pine Lake, had not received payment for land taken for road corner S. 22-23-25, W. 4th, and S.W. 12. "Survey was made nineteen months ago and the road fence was taken last July. His neighbor had received payment some time ago from the Hays Municipality for land taken for the same road, and they are not taking any medals for speed." The Council had never received the necessary material to complete the sale, though Mr. Charley was under that impression, and the Secretary-Treasurer will write Mr. Charley and Mr. Hays.

The Sawyer-James Co., Kelly-Powell Winthrop, and the Grain Growers wrote re road graders, and the latter and the Kill "2m Quick Co., Regina, no further action.

The Secretary-Treasurer was trying to get statement of arrears of school districts for his Tax Enforcement return. The Department had not advised him re arrears in the city school district, No. 104.

Commissioner Stephenson brought before the Council the loss of Mr. Russell's keys.

HOW TO GET RID OF RHEUMATISM

"Fruit-a-Lives" Point the Way to Quick Relief

"I suffered for a number of years with Rheumatism and severe Pains in my Side and Back, caused by strains and heavy lifting. When I had given up hope of ever being well again, a friend recommended 'Fruit-a-Lives' to me and after using the first box I felt so much better that I continued to take them; and now I am enjoying the best of health, thanks to your wonderful 'Fruit-a-Lives' medicine."

"Fruit-a-Lives" is sold by all dealers at 60c. a box, 6 for \$2.50, trial size 25c.—or sent postpaid by Fruit-a-Lives Limited, Ottawa.

well, three weeks for a cut arm, in fighting a fire in West Park. The City Council had paid the cost of the call of the firemen to the house, but thought the Rural Municipal Council should pay Mr. Russell for his loss.

Mr. E. Wilton, auditor, recounted the work he had done on the books and statements.

"The whole of these returns had been compiled by the Secretary-Treasurer, though they were very frequently left for the Auditor to prepare. This saved a lot of time on the audit and in this connection might say that I consider the Municipality is very fortunate in having a Secretary-Treasurer, an accountant of the ability and experience possessed by Mr. J. W. Hey. The whole of the accounts are abundantly correct and the records are complete, but I think I probably have a few Municipalities in the Province have as perfect a record of accounts as that of Pine Lake."

The Secretary-Treasurer presented an extensive statement of the financial position of the district with revenue accounts, assets and liabilities, and disbursements, all by account; accounts payable, accounts receivable, inventories of machinery, furniture and other assets. The statement contained also the Secretary-Treasurer's compilation of particulars of municipal taxes, educational taxes, supplementary revenue taxes, some school taxes, hall insurance taxes, and expenditures on roads. The total municipal revenue for 1918, exclusive of Provincial taxes, was \$14,573.24, and the net expenditures \$12,723.74, leaving a surplus of revenue over expenditure of \$1,849.50. The reports were given a hearty vote of thanks for his reports and complete explanations.

The Secretary-Treasurer said he had finally caught up with his work and correspondence, after having laid aside for practically two months. He was now devoting his full time to the work of the district.

The reports in full will be found on pages four and seven.

The rate of 7.7 cents an acre was struck for 1919. The rate of 1918 was 6 1/2 cents.

The following appropriations were made for the roads: Division 1 \$1500, Div. 2 \$1800, Div. 3 \$2000, Div. 4 \$2500, Div. 5 \$2200, Div. 6 \$2000.

Mr. Galtbraith, ex-President of the Red Deer Agricultural Society, presented to the Council the 1919 Red Deer Fair for a grant from the Council. He printed the grants of the rural municipalities of Saskatchewan in 1917. Prince Albert fair \$500, Yorkton \$500, North Battleford \$500, Weyburn \$500. The current \$1000. The City of Red Deer paid from \$5000 to \$5500 annually for the fair—\$2254.47 was for annual fairground improvements on grounds and buildings, and \$328.58 for insurance annually. The Council will take up the bylaw at the next meeting.

The rates of pay for road labor were fixed at 30 cents an hour, 40 cents for foreman, 60 cents for man and team, and \$1 per hour for man and four horses.

The attending meetings the Reeve will be paid \$4 per day and mileage at 10 cents per mile, and the Councilors \$2 and mileage, to be divided equally among the divisions, and will be paid the same rate for laying out and inspecting work, each division.

The attending meetings the Reeve will be paid \$4 per day and mileage at 10 cents per mile, and the Councilors \$2 and mileage, to be divided equally among the divisions, and will be paid the same rate for laying out and inspecting work, each division.

to be paid:

E. H. Pley, election, \$9.50; J. B. Herbert, election, \$4; F. J. Powell, and S.D. election, \$2.50; Cass-Cornett Co., \$1.35; Pine Lake School, election, \$4; Mount Pleasant School, election, \$4; Red Deer, election, \$27.35; W. H. Purdie, labor, \$2; R. Kaiser, labor, \$2; E. Wilton, auditor, \$1.15; M. Keimert, labor, \$2.40; Petty Ash, \$13.91.

The salary of the Secretary-Treasurer for 1919 was fixed at \$1200, he to have one month's vacation on Tuesdays and Saturdays each week.

As a good deal of business was not completed at 6 o'clock, a special meeting will be held on Tuesday, May 6.

CONDOR LOCAL U. F. A.

New Local of the U.F.A. Organized at Condor, Off to a Good Start.

An adjourned organization meeting was held in the Condor hall on April 15th.

The meeting was called to order by the president at 8 p.m., with a goodly number of farmers present. The secretary read a synopsis of the meeting held in the Prairie Rose School on March 29th, when the movement was started. The president then outlined some of the objects of the U.F.A., and some of the benefits to be derived through the organization, after which a general discussion took place.

On motion of Mr. A. L. McDonnell and J. O. Shaw, it was decided that all membership fees, together with the financial year of the Local, end on December 31st. On motion of J. O. Shaw, and A. L. McDonnell, the secretary was authorized to purchase all books, stationery and postage required for his office.

Moved by Mr. Shaw, seconded by Mr. Whalley, that the next meeting of the Local be held two weeks from tonight, April 19th, at 7 o'clock p.m., the same to be a social evening. Ladies to bring refreshments and the musicians to bring music. Carried.

Moved by A. L. McDonnell, seconded by N. K. McDonnell, that a petition be sent to the C.P.R. asking them to put in a better waiting room and a stockyard and closet at Condor. Carried.

The petition was then drafted and signed by all present, and it was decided to hold the same over to next meeting for further support.

Moved by Mr. Whalley, seconded by Mr. P. Barton, that all future meetings of the Local be called to order at the time appointed if a quorum be present, seven members to constitute a meeting. Carried.

Moved by A. L. McDonnell, seconded by N. K. McDonnell, that the secretary get quotations of two or three rates for putting on fence wire by the ton or half car lots. Carried.

Moved by Mr. Shaw, seconded by Mr. Miller, that the secretary be paid a salary. Carried.

Moved by Mr. French, seconded by Mr. Barton, that the secretary be paid a salary of \$2000 for the balance of the present year. Carried.

Moved by Mr. Shaw, seconded by Mrs. Stockwell, that anyone wishing to make a motion or address the chair, should rise to their feet. Carried.

Meeting adjourned at 10.30.

The following is a list of officers and members:

President, Ralph Patterson; vice-president, A. L. McDonnell; secretary, C. A. Wells; directors, P. Barton, M. H. Rasmussen, J. M. Bott, R. H. Blair, Members on roll: R. Patterson, A. L. McDonnell, S. S. Barton, C. A. Wells, E. N. French, J. M. Bott, F. W. Barton, J. Albert, J. O. Shaw, W. R. McDonnell, Jas. Craig, R. Rennie, W. Bell, N. H. Rasmussen, W. E. Whalley, E. Albert, Geo. Chisholm, H. K. All Bedding Guaranteed Satisfactory.

BLINDMAN RAILWAY A WHITE ELEPHANT

THE TOTAL COST NEARLY A MILLION DOLLARS.

GOVERNMENT WOULD LIKE TO SELL AS IT IS NOT A PAYING PROPOSITION.

Edmonton, April 8th.—While the government proposes to take over and operate the Lacombe and Blindman Valley Railway, putting \$500,000 more into it to complete the line as far as Rimby and clear off the outstanding obligations, nevertheless, it is not the intention of the government to continue in the railway business. Premier Chas. Stewart made this announcement to the house of commons when, after describing the bill taking over the railway and the history of the unfortunate financial enterprise, he said:

"I think the government will be well advised to dispose of the railway as soon as possible to one of the transportation companies. I do not mean that government ownership is not a good thing, but I think that under the existing conditions, that one of the transportation companies which has the men and the organization would be the best to operate the line."

Mr. Stewart also gave a detailed financial statement of the company's obligations, which include the following: Advances by the province to date, \$355,000; interest paid on defaulted bonds, \$41,000; accrued interest on advances, \$9,000; miscellaneous outstanding liabilities, \$35,000; original bond issue, \$273,700.37; Total, \$813,700.37.

The premier said that to complete the line to Larson would cost \$122,000, and to carry it on to Rimby would take another \$197,785, or a total of \$319,785.

This amount, added to the foregoing total, gives a grand total of \$813,485, which will represent the provincial investment when the line is complete from Lacombe to Rimby. Mr. Stewart said that it is practically necessary to complete the line in order to dispose of it on reasonable terms to some other transportation organization, and moreover, that the projected line runs through an excellent territory. He had hoped to escape putting further money into the project, but the people in this district are clamoring for it. Also, the section of the line in operation under most unfavorable financial conditions last winter, earned within \$600 of its operating expenses, exclusive of the bond interest charges.

In reciting the history of this line, Mr. Stewart pointed out that the bonds were guaranteed at the second session of the legislature of 1913 to the extent of \$700,000 per mile for \$9.1 miles, the total issue being \$273,700.37. Five per cent, thirty-year bonds, under the Light Railway Assistance Act. Some construction was proceeded with, but the company found itself in financial difficulties and halted construction; also it was unable to provide for the third instalment of bond interest falling due in April, 1915, which was made good by the province. The company is still in default and the province has protected the bond interest continuously. The government finally secured control of the stock of the railway, now holding 4,105 shares, of the par value of \$100 each, representing slightly more than 80 per cent of the total issue of \$500,000. For this stock the total amount paid by the province was \$1,841.35, or at the rate of 45 cents per share. Prior to this, however, the legislature had passed a further act, increasing the guarantee sum to \$1,400 a mile, on the understanding that the company was to raise sufficient money to proceed with the work.

The company has twenty miles of track laid and in operation, and a roadbed graded to within a mile and a half of Rimby, with sufficient construction material on hand to lay three or four miles of track. The premier expressed the opinion that the government is receiving full value for every dollar expended. The equipment of the company includes two steam locomotives, one gasoline car and one passenger car.

A digest of the bill showed the following points: The head office is changed from Lacombe to Edmonton. The directors are reduced from twelve to six members. Section 1 enables the company to mortgage its property to \$25,000 a mile. The government proposes to raise the additional \$500,000 on its own credit and to loan to the company to complete the work. Time of completion of the railway is extended to December 31, 1921. The word "Electric" is struck out of the name of the company. The government receives authority to acquire and restore ownership of further shares. The second guarantee of \$1,000 a mile is repealed. The prospect of selling the line to either the C.N.R. or government lines or to the C.P.R. is another reason why the government does not wish to have the company issue more bonds of its own.

FORMER EMPEROR TO GET FAIR TRIAL.

Paris, April 9.—The responsibility of the German emperor for the war and the means of bringing him to trial by one of the Allied governments, probably Belgium, have been definitely determined upon by the council of four. The four governments decide on the terms of reparations for war damages, whereby \$5,000,000,000 must be paid within the next two years. The Allied commission is to assess the remaining damages, for a period of 30 years beginning May 1, 1921.

QUEBEC VOTES "WET"

MAJORITY OF 100,000 FOR LIGHT WINES AND BEER.

Montreal, April 10.—By a majority of probably 100,000 votes, the province of Quebec pronounced itself in favor of light wine and beer on the referendum vote today. At least 50 per cent of the voters went to the polls out of the 400,000 registered, and though all results are not in, yet, the outcome of the voting is not in doubt.

The island of Montreal contributed 67,159, and returns from Sherbrooke, Three Rivers, Quebec City and Hull, also showed substantial majorities. The surprise came from the agricultural districts, which have been "dry" for several years past. Counties like L'Assomption, with 1,219 for and 64 against, and Soulanges with 1,105 for to 84 against, and though all results are not in, yet, the outcome of the voting is not in doubt. The figures for 1,000 polls in the Quebec district show 6,695 votes cast for beer and light wines and 6,407 for prohibition, while the general proportion was little better for the "dry" division.

FIGURES IN THE CITIES.

Some of the figures for cities are as follows:

	For	Against
Montreal	63,654	6,507
Sherbrooke	2,552	1,576
Three Rivers	2,197	343
St. John	1,340	351
Westmont	3,541	2,133
Quebec city, majority about	7,000	
Hull, majority about	1,145	

There are some polls missing in the case of Westmont. The referendum was decided on by the provincial legislature to settle the future of the liquor question. In 1918 the legislature passed a total prohibition measure to come into effect on May 1st, 1919, for the duration of the war. The war ending before the act could be applied, the government compromised on the demands made from the liquor forces, who ask a continuance of complete "wet" privileges, and those calling for the enforcement of the act by submitting the question of the sale of beer and wine alone to the electors.

Both liquor and temperance factions in the province waged an energetic campaign, the former securing powerful support from a number of the most prominent men in Montreal. The Protestant ministers were unopposed in the province, the Anti-Alcoholic league, was split. A number of speakers in favor of wine and beer introduced the race and religious cry into their campaign of dress, adding that English-speaking Orangemen and Methodists, of course, were anxious to see prohibition introduced as a blow to the French-speaking Roman Catholics, who needed wine for the sacrament.

No women voted on the referendum. In the province as a whole the "wets" turned out in great numbers, while the "dry" element seemed indifferent. In Montreal the "wet" majorities were enormous, in several divisions being over 75 per cent.

The result of the vote will ensure the sale of beer and wine in districts where local legislation has not introduced prohibition. Dry districts though allowed to vote, will not become wet even though they gave a majority in favor of beer and wine. Only in one locality in the province was the temperance element, emphatic enough to offset the "wet" organization. This was in the English-speaking eastern townships.

WAR COST TO CANADA NOW \$1,277,273,000

BEFORE END OF FISCAL YEAR WILL REACH TO NEIGHBORHOOD OF BILLION AND HALF.

Ottawa, Ont., April 10.—Details of Canada's war expenditure were laid before the house today. There was under discussion a resolution preceding a bill to appropriate \$350,000,000 for expenditure arising from the war.

Up to the end of last month, Sir Thomas White informed the house, the estimated cost of the war to Canada was \$1,277,273,000, and the cost up to the end of the present fiscal year would be in the neighborhood of a billion and a half.

The greater part of the \$350,000,000 appropriated will go to the military department for expenditure arising chiefly out of demobilization. From this department, there will be required approximately \$75,000,000, of which \$184,000,000 will be expended in Canada and \$91,000,000 overseas.

The war expenditure by years was as follows, said the Minister of Finance:

1914-15	\$ 60,750,000
1915-16	185,000,000
1916-17	306,000,000
1917-18	343,000,000
1918-19	347,000,000

This last amount, he said, was not complete, and would probably reach \$400,000,000 when all the returns were in.

Included in the private council estimate is a vote of \$108,360 for the department of public works, of which this amount the Canadian official record is expected to account for \$54,000.

In reply to Mr. Devlin, Wright, who asked whether Sir Thomas's estimate to get the money—by loan or increased taxation—the Minister of Finance said there was still \$200,000,000 available.

able. However, what they were doing today they could not continue to do—they could not continue credits. Sir Thomas said that on the necessity of export trade and of furnishing credits to allied countries for purchases in Canada.

There was some criticism by opposition members in this connection. S. W. Jacobs, Montreal, argued that Roumania (with which a credit of \$25,000,000 has been arranged) was on the verge of bankruptcy and threatened with Bolshevism. The leader of the opposition thought that the Belgian government should establish a cash credit as security with some responsible financial institution in Belgium.

Sir Thomas replied that the security given to Canada was the same as that accepted by the British government. The resolution was carried.

In the evening the house discussed in detail the bill to create a department of public health. It went through committee and now stands for third reading.

BODY OF EDITH CAVELL WILL BE BURIED IN ENGLAND.

London, April 10.—Arrangements are being made, it is understood, for the removal of the body of Edith Cavell, the English nurse executed in 1915 to this country. The internment of the body in English soil will be made the occasion of an extensive public ceremony.

TAXES

12 1/2% DISCOUNT.

On all Current Taxes except Frontage and Government Taxes paid on or before April 30th.

DOGS.

The Police have been instructed to summons all owners of dogs who have not taken out dog licenses. Dogs running at large without collars and tags attached may be impounded.

TENDERS FOR HAY.

Sealed tenders will be received until noon Saturday, April 19th, for part of a stack of hay belonging to the City of Red Deer, on Hillsboro Sub-Division. Particulars may be obtained at the City Office. The highest or any tender not necessarily accepted. Address tenders to A. T. Stephenson, Sec.-Treasurer.

SPANISH INFLUENZA

This terrible epidemic is not yet under control, and citizens are earnestly requested to take every precaution to check it. This flu is not to be trifled with. Thousands of lives have been lost by neglecting early treatment. If any of your families show symptoms of a cold or cough with fever, call a doctor immediately, and perhaps avoid calling an undertaker later.

USED RAILWAY SYSTEMS.

Toronto Saturday Night got off the following very clever burlesque ad. In its last issue, under the heading of "Used Railway Systems, which might be applicable to the Blindman blunder, as it has cost the people very close to a million dollars already, and may yet sink the provincial government unless they give it away:

"We are in the market all the time for good second-hand railway systems located in Canada. Do not throw your old railway away; let us have it. A good figure will be paid for railways that can show a clear deficit for the past season, and we pay a bonus in case the deficit is so large that it has become recapitalized into the system.

No profitable lines wanted.

Jerkwater lines a specialty.

No region too remote for us.

Why put your line into bankruptcy, when we can handle it?

Address—Department of Railways, Ottawa, Canada.

CANADIANS FINANCING THEMSELVES.

Canada has begun to finance herself. A notable beginning was made during the war, when \$74,331 applications were received for the first Victory Loan and 1,139,257 for the second. This was the best possible evidence that the people of Canada had resolved to meet their country's financial requirements.

Swift Current, Sask., has recently given a splendid local demonstration of this same spirit: Difficulty had been experienced this year in securing \$50,000 of an advance for the public schools, and, rather than allow them to be closed, the residents got together, put on a campaign and sold the bonds among themselves.

The people of Swift Current thus did in a small way what is being attempted in a larger way by the War Savings campaign. Through the sale of War Savings Stamps it is hoped that the people of the Dominion may be induced to buy enough of these "Baby" bonds to help the Dominion Government in meeting the many and heavy unusual expenditures now devolving upon the country.

COUNTRY LADIES' TEA.

The country members of Red Deer Women's Institute, assisted by people of Horn Hill district, will hold a tea and sale of clothing in institute rooms on April 19th. The proceeds of the tea will be devoted to furnishing a room in Red Deer hospital. The room is to be known as "Horn Hill Ward" in memory of Leslie Oldford and Wm. Richards, two boys from the district who gave their lives in the war. While this is a country women's tea and no general canvassing will be done in town, donations will be thankfully received from anyone. The ladies hope to have all their friends drink tea with them on Saturday, and help to make this venture a success. The tea will be in charge of Mrs. Bjorkeland, Mrs. A. Lund, Mrs. Richards, and Mrs. H. Donnelly. The cooking table, Mrs. D. W. McKinnon and Mrs. Houghton.

VIOLET DAY.

The Sir Christopher Craock chapter of the I.O.D.E. will hold a tag-day Saturday, April 19th, proceeds to go to the soldiers' comfort fund.

Members of this chapter meet all trains with fruit for returning soldiers, boxes are sent to our invalided soldiers, from this district who are in hospitals, as well as donations to other soldiers' hospitals and convalescent homes.

The work of these soldier boys of ours is done for the present, but our work for them is not yet finished, so do your part.

Wear a violet ribbon on Saturday, for which you have contributed generously to the young ladies who will ask for your donation.

FURNISHED ROOMS TO LET.

Without attendance, use of kitchen.—P.O. Box 415, Red Deer. April 16.

ALBERTA HAS OVER 50,000 ALIEN BIRTH.

Final Report of Board of Registration Tabled in the House.

Ottawa, April 9.—The final report of its operation, which was tabled on June 1, 1918, took a census of all the people in Canada over the age of 16 years, in order that the full resources of the Dominion might be mobilized for the prosecution of the war, was tabled in parliament today. It is an elaboration of the interim report made public last autumn with final figures of the population, which are as follows:

Canada, 7,289; New Brunswick, 8,732; Prince Edward Island, 279; Quebec, 46,879; Ontario, 109,645; Manitoba, 30,583; Alberta, 50,549; British Columbia, 62,479.

Of people of foreign birth who registered, United States citizens led with a total of 109,093. Hungarians 70,691; Chinese, 37,102; Russians, 42,104; and Italians 27,107.

VETERANS ARE RUSHED TO RUSSIA.

Reinforcements of Seasoned War Heroes Embark for Bolshevik Front.

London, April 9.—Scenes at the Tilbury docks today, where reinforcements are embarking for the Bolshevik front, are strongly reminiscent of 1914 days, when the world was young in the ways of war. Sweethearts and wives are bravely smiling, as they have learned to smile during the last five years. In the last moments of farewell official guesses about such matters as mails from Archangel and reported discipline of Bolsheviks who are to form their opposition.

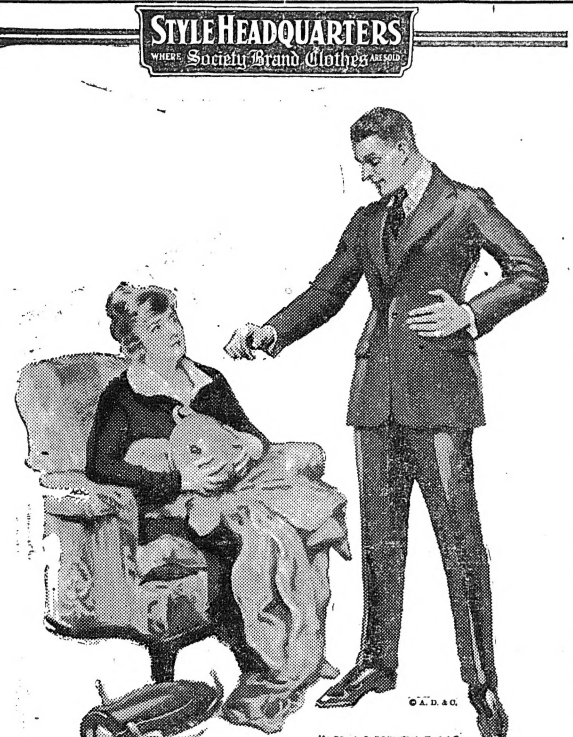

ARMY OF VETERANS.

Camp valises are being carefully shepherded to storage places below, and there is all the customary eagerness and bustle associated with the departure of men on a great adventure. We send Archangel an army of veterans with two or three war decorations as the rule, rather than the exception, and almost every man wears one red and several blue chevrons. Some have seen fighting on four fronts since the opening of the war's phantasmagoria. One man spoke to express any regrets as being so quickly taken at his word.

ALL VOLUNTEER RECRUITS.

The Russian relief force is made up of volunteers from almost every British regiment, and such is the haste that an attempt is being made to get men en route before the flotilla sails this evening.

The new Scotland Yard recruiting headquarters are snowed under with four times the normal number of officers and men, and remembering what they have endured during the past years, it induces a thrill of pride in years' phantasmagoria. The men of so many youth, Kipling's well known line: "Back to the army again, sergeant."

The Uniform's Successor

THIS store considers it an honor to have so many returned men come here for their civilian clothes. For only the best ready wear clothing is a worthy successor to the uniform that has earned the veneration of the world. That's one reason we feature

Society Brand Clothes

Red Deer, Alberta,
April 5, 1919.
To the Reeve and Council,
M. D. of Pine Lake, No. 339.

Gentlemen—
I beg to report that I have audited the books of the Municipality as follows: I have compared the Tax Rolls with the corresponding entries in the cash book, and in the assessment roll, and have compared the arrears brought forward from 1917, and finishing with the arrears carried over to 1919, and found everything accurate

and satisfactory.
I then checked the several annual statements and tabulated returns required by the Government for the information of the taxpayers, and found that these were correct abstracts from the books of the Municipality and accurately represented the business of the year.
The whole of these returns had been completed by the Secretary-T

J. M. Conway, who has for three years been the capable and popular accountant of the Merchants Bank of Red Deer, has been promoted to be manager at Chipewyan, on the C.N.R. north of Edmonton. Mr. Conway's many friends have no doubt he will make good in his responsible position. Mr. McLean succeeds him.

Mrs. Donald Smith visited Calgary to see her brother, a returned veteran who was passing through that city, last week.

J. F. Day carried off third and fourth prizes for Aberdeen Angus bulls, Jan. 1, 1918, and after, at the Calgary Bull Sale last week.

We will also manufacture a high grade of Ice-Cream and are installing the latest machinery for this purpose.

We solicit your patronage.

Local and District Intelligence

Pianos tuned—J. E. Welton.

For prompt ambulance service, phone 61.

Keep the date open for Easter Bazaar in the Parish Hall on Easter Monday.

Burnell Ford feeds lightning bolts to a youngster without even scaring him.

Mr. and Mrs. Roy Byers left for Calgary last week, where Mr. Byers will resume his old position with the Cushing Bros. firm.

Easter Monday the Parish Hall committee are putting on a grand dance with a full three piece orchestra with drums. Keep the date open.

Cash Mahaffy and Roland Michener were home from the University over the week end. Their examinations start for their third year in about two weeks.

At Clarence Trimble's sale cows brought from \$76 to \$140, and pigs brought from \$67 to \$121. Brunt and McCune were the buyers, and they gave entire satisfaction.

Greer brothers have purchased the Peterson farm, and have removed their families from Cardston, Washington, on to the place, intending to make their home amongst us.

Single tickets for the Schubert Sextette and Burnell R. Ford lecture, \$1.00 each. Tickets to admit to both attractions \$1.50 at Gaetz-Cornett's. Buy a ticket at \$1.50 today.

Capt. D. A. Taylor, North Red Deer, who returned from overseas a couple of weeks ago, left for England again on Saturday, accompanied by Mrs. Taylor. He has been engaged in a large industry on Gooding St., Vauxhall, London.

The Indian Industrial School purchased two Shorthorn bulls at the Calgary bull sale last week. One was a fine 18 months old animal, for which \$305 was paid, the other was nearly three years old, costing \$215.

Bamboo poles, jointed rods, arawanna, crimson Rambler, and Cut-thunk links, double cut on hook, leaders, spoons, phantom and Devon Minnow, wire, rods and gimp, at John McVicar's bookstore, Gaetz Ave., North.

The management of the Lyceum course feel justified in stating that the program to be given by the Schubert Sextette tonight in the Methodist Church at 8.30, will be the finest heard in Red Deer for many months, and even years. A number of citizens have vouched for their excellent work, having heard them in other places. The band at Grand Forks, B.C., has engaged this company for three successive years. Come along and help swell the throng. All money over the stated contract price remains in Red Deer.

A grand bazaar will be held in the Parish Hall on Easter Monday, April 21st, from 3 to 6 o'clock. There will be a sale of homemade cooking, candy, fancy work, children's clothes, and 10c teas. Representatives of the W.A. will be at the Parish Hall on Sat. afternoon from 3 to 5 o'clock, to receive donations of goods for the bazaar.

Dan Shannon and wife, of Edmonton, were the guests of Mr. and Mrs. Jim Shannon last week. Dan has been a millman all his life, and is interested in a big lumber mill Mr. Burrows intends erecting, we understand, out in the west country to tap one of his timber limits. This trade, we are informed, will come this way and will help Red Deer.

Gosh, I swallowed a streak of lightning and never felt it, said a young lad who assisted Burnell R. Ford one evening. Ford's lecture, entertainment to be given here on May 13th as the last attraction on the Lyceum course, will attract a crowded house. Get your ticket today for \$1.50, which will admit you to the Schubert Sextette tonight and to Burnell R. Ford's lecture.

The Schubert Sextette tonight.

Stores will close as usual on Thursday night.

Mrs. Geo. McCurdy is visiting her daughter, Mrs. W. V. Davies.

J. A. Smith, Inspector of High Schools, visited Red Deer last week.

If you have land for sale call or write the J. Malcolm Co., Red Deer.

John Cole was visiting his parents for a few days last week.

Listings of improved and unimproved farm lands wanted. Call or write to John Malcolm Co.

The Ladies' Aid and the Women's Missionary Society of Presbyterian Church will hold their monthly meeting on Thursday, April 17th, at 2 o'clock in the Church Hall.

Mrs. Ryan is the guest of Mrs. McLeod. Dr. Washburn, her son-in-law, has returned from overseas, and has received an important position in Edmonton, where he will reside.

Mrs. John McLennan will have the sympathy of many friends in the death of her mother, Mrs. Adam Paton, at Vancouver, B.C., at the advanced age of 93.

The principal of the schools informs the general public that it will be impossible to admit any more children into the beginners' room after Easter. No fresh entries can be entertained until the 1st September.

Four fine young Shorthorn Bulls were purchased at Calgary bull sale last week by W. E. Payne and J. F. Day. Two have been sold; the other two are for sale and may be seen at Hewson's Barn. They are fine animals, and should be snapped up quickly.
